FOR ACTION

RECOMMENDATION FOR ADDITIONAL FUNDS FOR AN ADMINISTRATIVE AND MANAGEMENT REVIEW OF UNICEF

1. At its first regular session of 1994, the Executive Board approved a revised proposal for the administrative and management review of UNICEF (E/ICEF/1994/13, decision 1994/R.1/6) and set a ceiling of $1,000,000 for the work, with an understanding that, if additional funds were needed, the secretariat would request them from the Executive Board (see E/ICEF/1994/AB/L.1/Rev.1, para. 24).

2. Based on further discussions with the external consultants and a more detailed review of the revised terms of reference approved by the Executive Board, it is estimated that a small increase in the budget for the review will be required. As requested, detailed information on the estimated budget has been provided to Executive Board members through correspondence from the Executive Director dated 20 April 1994.

3. The Executive Director recommends that the Executive Board approve an additional amount of $107,000 to cover the costs of the review, bringing the total amount to be allocated from the approved 1994-1995 administrative and programme support budget to $1,107,000.
